PRESENTING
The 1963 Pioneer
Deer River High School
Deer River, Minnesota

As we complete this twelve years of our education, we recall many things: Our first years of school, our Freshman year, the Junior Prom, MOONLIGHT AND ROSES, the Junior Class Play, THE LOUD RED PATRICK, the Senior Class Play, the faculty and administration and how very much they contributed to our completing these years, and now we are looking forward to the event we will remember most, Graduation.

For many of us these twelve years are just a beginning; we will go on to college and maybe even greater things. For all of us, though, High School will be something we will always remember.

We will regret in many ways leaving this school, but we all realize that a great and wonderful world is waiting for us.

DEDICATION

We, the Senior Class, in an attempt to express our deep appreciation for your guiding hand that has led us through our high school years, do proudly and gratefully dedicate our "64" Pioneer to you, Mr. Serratore.

ADMINISTRATION AND FACULTY

L.-R.: R. Murray, L. Pederson, A. Kinder, R. Schuder, R. Keller, R. Moede, G. Waller.

I offer my congratulations to this year's senior class. May the knowledge, experiences, and associations acquired during your high school years be of the greatest benefit to you in the years ahead.

Troy Swisher

SUPERINTENDENT: Mr. Swisher

Secretary: Josephine Jones

School Nurse: Mrs. Jean Anderson

BOARD OF

L.-R.: Fred Ott, Gerald Swanson, Walter Shears.

Most students at Deer River High School have learned the rules, facts and skills required in the many scheduled classes. However, the graduate who fails to apply this knowledge is like the farmer who worked hard to prepare his fields but never planted the seed. Not to know, but to do the job is what really counts in life.

R. J. Keller

Above: A short step toward disarmament was taken with cautious optimism with the signing of the limited nuclear test ban treaty in Moscow. Seated: Sec. of State Dean Rusk, Andrei Gromyko, Lord Home. Premier Khrushchev stands behind Lord Home next to U.N. Secretary General U Thant, Adlai Stevenson and U. S. Congressional leaders. Right photo: Red Chinese-Russian relations worsened during the year as they battled for leadership of world communism. This Moscow meeting between Mikhail Suslov, left, and Teng Hsaio-Peng in August failed to produce accord.

An unidentified priest went to the aid of a wounded soldier during a revolt in Venezuela. For this picture Hector Rondon won the 1963 Pulitzer Prize for news photography.

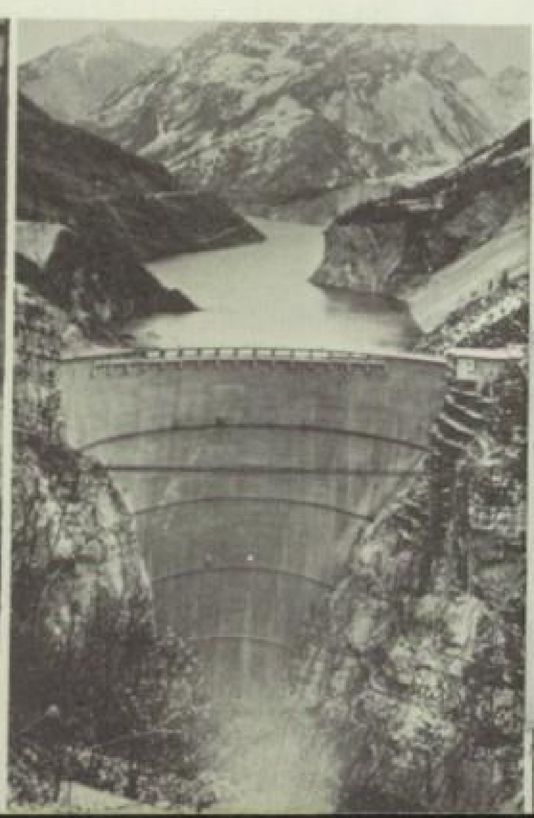

World Events in Review—1963

Pope Paul VI began his reign after the death of Pope John XXIII. Pope Paul reconvened the Ecumenical Council and at year's end planned an unprecedented journey to the Holy Land.

Left, below: Dr. Helge Ingstad, veteran Norwegian explorer found remains of a 9-house Viking settlement in Newfoundland dating 500 years before Columbus. Right: A huge landslide into Vaiont Reservoir in northern Italy sent a wall of water into the valley below destroying Longarone and killing some 3,000 people.

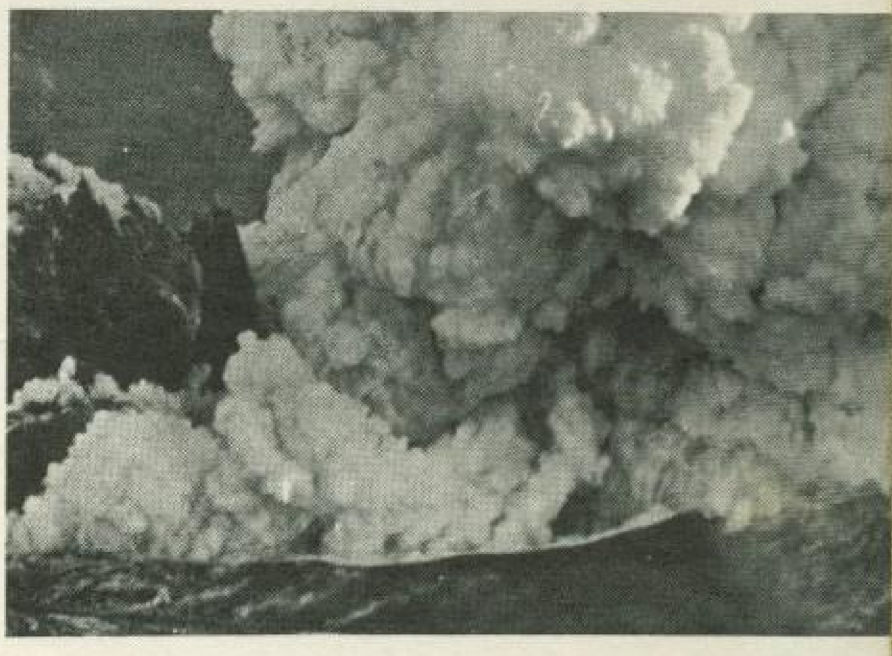

Above: Vietnamese tanks assaulted President Diem's palace during successful November coup which resulted in Diem's death. Meanwhile, (color) U.S. advisers continued working with Vietnamese troops in inconclusive fighting against Communist Viet Cong guerillas supplied from North Viet Nam.

A new island, 1/4 mile long and 130 feet high, was born off southern Iceland from an underwater volcano.

Britain's new prime minister, Sir Alec Douglas-Home, took office in November, after scandals shook Harold Macmillan's government.

East-West tension continued: left; Gen. Chong of North Korea levels a pistol at U.N. spokesmen during discussions of armistice-violating raids at Panmunjom. Right; Russian attempts to control Allied access to Berlin failed in the face of western unity. This American convoy had been delayed 42 hours en route to the city.
